Embargo Date	**Sept.12, 2013**
Intro Phrase / Tagline	A compact, builder-friendly case designed for quick assembly by novices and experts alike.
Product Full Name/Title	Corsair® Carbide Series™ 200R Windowed Compact ATX Case
25-Word Product Description	Carbide Series 200R Windowed is compact, but it's designed to let you build high-performance systems with massive storage, extra graphics performance, and superior cooling and ventilation.
50-Word Product Description	Carbide Series 200R Windowed is compact, but it's designed to let you build high-performance systems with massive storage, extra graphics performance, and superior cooling and ventilation. Less work. More play. Build with the Carbide Series 200R Windowed and the only time you'll need to pick up a screwdriver is to install the motherboard.
100-Word Product Description	Carbide Series 200R Windowed is compact, but it's designed to let you build high-performance systems with massive storage, extra graphics performance, and superior cooling and ventilation. Less work. More play. Build with the Carbide Series 200R and the only time you'll need to pick up a screwdriver is to install the motherboard. The mid-tower form factor combines room for expandability and out-of-the-way exterior dimensions.
